Dear Colleagues,

It is our pleasure to send you this personal invitation for our **4th International Week** at the Faculty of Business Augsburg University of Applied Sciences. It will take place from the **22nd to the 25th of May, 2017**.

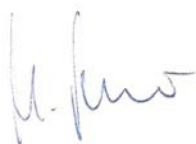

We would like to offer all our students and staff members the chance to broaden their knowledge in a number of fields and we truly believe that your participation will be of great interest to us. The main objectives will be: Teaching staff and staff exchange to strengthen our partnerships, besides this to share ideas and to have extracurricular activities and networking events.

This event is open to all teaching staff as our aim is to promote teaching and staff mobility. As places are limited an early application would be appreciated. Therefore, we look forward to welcoming a variety of partners from different countries. You can choose whether you'd like to teach in English or German with a limited possibility to lecture in either French, Spanish or Italian. Your lectures and your activities within the International Week seminars will ensure that we can provide certificates for the full amount of teaching hours (following Erasmus+ regulation).

Please confirm your availability by **30th of January 2017** by e-mailing us at iweek.wirtschaft@hs-augsburg.de and completing the application form attached. We will get back to you as soon as possible confirming your participation and giving you a more detailed program of the seminars.

We look forward to welcoming you in Augsburg in May 2015!

Warm regards to you all,

(Prof. Dr. Michael Feucht, Dean)
